## Career objective

To leverage my expertise in machine learning, data science, and AI to drive innovative solutions and contribute to impactful projects in a dynamic and growth-oriented organization

## Education

2022 – present	<b>B.Tech Artificial Intelligence &amp; Data Science</b> <i>National Engineering College</i> 8.67-CGPA (upto 5th semester)	KR Nagar, Kovilpatti
2021 – 2022	<b>HSC</b> <i>P A C R Ammani Ammal girls higher secondary school,</i> 93.5%	PSK Nagar, Rajapalayam
2019 – 2020	<b>SSLC</b> <i>P A C R Ammani Ammal girls higher secondary school,</i> 77.2%	PSK Nagar, Rajapalayam

## Certificates

- Data Science Essential - cisco
- Prompt Engineering - Simplilearn
- Basis of deep learning - kaggle
- Statistical Methods for decision Making -great learning
- Bussiness Analytics- LinkedInLearning
- Cloud Computing - Nptel
- Python - Guvi
- Data Analytics and Visualization Job Simulation - Accentur
- Database management system- infosys springboard

## Skills

### Programming Skills

- Python,Java,SQL

### Soft Skills:

- Leadership & Teamwork

### Technical Skills:

- Machine learning
- data analysis

## Awards

### Winner - Paper Presentation

*Mepco Schlenk college of Engineering*

### Runner - Analyticiq

*National Engineering College*

## Projects

### Book Recommendation System

### Ai powered mediInsight

### Youtube Comment Sentiment Analysis

### BigMart Sales Analysis

## Extracurricular Activities

### National Service Scheme

Actively participated in community service initiatives, including two special village camps, engaging in sanitation drives, awareness programs, and educational support while demonstrating leadership, teamwork, and social responsibility.
